Garbage Disposal Information

Tenants are responsible for *proper* disposal of their large, unwanted items from the property. Items *may not* be left in lobbies or by recycling or garbage bins.

Cambridge Kiwanis Housing has arranged for disposal services that tenants may make use of on a pay-for-service basis. There are two options to choose from. They are:

1. 5 large item pick up
 - This service is good for if you are disposing of couches, mattresses, dressers, etc.
 - Current Cost: \$30.60 + tax = \$34.60, must be prepaid by Tuesday 12:00 noon
 - Must be pre-arranged with a staff member
 - Staff will indicate where items are to be put
 - Items must be out Tuesday evening
 - If there are more than 5 items, there will be additional charges

2. Fill a large garbage bin
 - This service is good for if you have lots of bags of garbage or small household items, such as crib mattress, laundry basket, etc.
 - Cost: \$30.17 + tax = \$34.10, must be prepaid by 12:00 noon
 - Must be pre-arranged with a staff member
 - Staff will arrange access to bin
 - If the bin lid does not close because the bin is overfilled, there will be additional charges

For items that come in boxes, please recycle appropriately. Cardboard boxes are to be broken down (cut up if they are large) and put into the appropriate recycling bin by your building.

If you feel these services are not enough to meet your garbage needs, please talk with the Manager – Tenant Services for additional options.
