Unit A – 350 Linden Drive  
Cambridge, ON N3H 5N7  
(519) 650-5437

---

### **Maintenance During COVID-19**

At Cambridge Kiwanis Housing the health and safety of our tenants, their visitors, and staff are very important to us. We are encouraging tenants to practice social distancing. Social distancing involves taking steps to limit the number of people you come into close contact with.

You can submit all your routine Maintenance Work Requests on our website on the Maintenance page. As a reminder, routine maintenance includes items such as: bathroom fan repairs, closet door repairs, damaged window and patio door screens, drywall repairs, etc. Although we are not currently entering unless there is an emergency, we ask that you continue submitting our Maintenance Work Requests so we can continue processing them in our office so there is not a backlog.

Thank you for your co-operation,

Cambridge Kiwanis Housing
