**Re: Seasonal Guidelines**

At Cambridge Kiwanis Housing we make every attempt to keep our properties pleasant looking, safe and in good repair. As the warm weather approaches, please be mindful of the following:

- Draping clothing and linens over railings is not permitted.
- Feeding birds, squirrels, etc. anywhere close to the building is not permitted as this also attracts other pests/wildlife which can damage property and be harmful to tenants.
- The privacy rights of ground floor tenants must be respected as well as the “quiet enjoyment” of all tenants.
- Biking, skateboarding, hover boards, rollerblading, street hockey or other sports are not permitted in buildings or tenant parking lots as accidents happen and damage to Cambridge Kiwanis Housing property may occur.
- Parking/storing bikes in building hallways is not permitted.

Please be mindful of the following rules throughout the year:

- All dogs must be on a leash when they are outside and should never be left unattended. Pet owners must stoop and scoop immediately.
- It is an illegal act to disconnect or tamper with fire safety devices in your unit/building.
- All garbage must be disposed of according to Cambridge Kiwanis Housing guidelines.

Please do your part to help staff by being mindful of the above. We appreciate your help in making this community a great place to live.

**Have a safe and enjoyable summer!**
